

Global Debt Unconstrained in USD

Management Team

David W. Rolley, CFA
Lynda Schweitzer, CFA
Scott M. Service, CFA

Objective

Seeks to identify undervalued securities and create diversified portfolios with high conviction global fixed income insights and favorable risk return parameters

Highlights

- Our investment philosophy combines intensive bottom-up credit research across major sectors of the bond market with top-down macroeconomic insights
- Our sovereign research universe is comprised of more than 100 countries, and portfolios are typically invested in 25 to 35 countries
- Create portfolios that invest in global securities with a focus on Loomis Sayles' best investment ideas across relevant risk factors, including country, currency, curve, sector and specific credit
- Invests across a broad global universe of securities including government and quasi-government and agency securities, corporate credits, and asset-backed securities including mortgages
- Seeks to generate solid long-term risk-adjusted investment performance
- Seeks to manage risk through diversification and continuous monitoring based on fundamental analysis
- Allowable below investment grade allocation: typically over 20%
- Typical allocation to emerging markets debt: generally greater than 25%
- Target tracking error: 3% to 8%, opportunistic approach rather than benchmark relative
- Typical portfolio: more than 150 issues

Performance data shown represents past performance and is no guarantee of future results. Current performance may be lower or higher than quoted. Returns are shown in US dollars and are annualized for one and multi-year periods. Gross returns are net of trading costs. Net returns are gross returns less effective management fees.

There is no guarantee that the investment objective will be realized or that the strategy will generate positive or excess return.

Average Yield is Yield to Effective Maturity. Duration and Maturity for equity securities are deemed to be zero.

For Institutional Use Only. Not For Further Distribution.

*Strategy assets are comprised of Loomis Sayles Global Bond style accounts including Global Aggregate Bond, Global World Bond, and Global Debt Unconstrained and other Global Bond investment styles.

Diversification does not ensure a profit or guarantee against a loss.

Loomis, Sayles & Company, L.P. ("Loomis Sayles") is an independent advisory firm registered under the Investment Advisors Act of 1940. For additional information on this and other Loomis Sayles strategies, please visit our website at www.loomissayles.com.
